• Karo can be paid in 1, 2 or 4 instalments (the paper does not say 3, unlike Boys Secondary). Matumizi is paid all at once.
• **Matumizi depends on religion:** 776,000 for a Christian student, 851,000 for a Muslim student (adds Islamic dress and hijab).
• NHIF: a student without a health insurance card pays 50,400 to the school account and brings the pay-in slip on opening day.
• Payment is made **at the bank**. The parent brings the original bank pay slip (BPS) with the **student's** full name and form, not the parent's name.

Totals are correct: the lines add up to 776,000 (Christian) and 851,000 (Muslim), the same as the paper. On page 1 the amounts are printed one line lower than their items; this table matches each amount to its item using qty × price. Please confirm the word "Majaradio".

3. Items the student brings from home (not sold by the school)

Black leather shoes with short heels, not boots (2 pairs) · leather or plastic bag (no trunk or wooden box) · umbrella or raincoat · khanga or kitenge (1 pair) · sandals or bathroom shoes (1 pair) · white sports shoes and sports socks · comb, mirror, nail cutter, shaver, soap dish, pegs · toothbrush and big toothpaste · 2 small Kiwi shoe polish and brush · soap: 2 washing bars, 6 medicated, 2 kg powder · petroleum jelly, big tin (Vaseline/Samona/Movit, not lotion) · enough underwear (panties and tights) · night dress · underskirt · big towel (1) · **yellow** sports wear, T-shirt and trousers, with no writing (wear it on opening day) · enough sanitary pads · pens, pencils, colours, big eraser · water bottle (not plastic) · wrist watch (not smart watch) · long red socks (for cold at night) · open shoes (1 pair).
Underwear and night dress (and the items grouped with them) must be marked before coming.

4. Rules that matter for the system

• **Arrival:** Mon–Fri 8:00am–4:00pm, Sat 8:00am–12:30pm, no reception on Sunday. A student who comes after the last date loses the place.
• **Academic:** a student with an average below **65%** — school and parent must meet. Enough practice exams before end-of-term/year exams.
• **Missed exam** without permission = **zero** for that exam/subject.
• **Not allowed:** phones, radios, cameras, candles, matches, lanterns — the student is expelled.
• **Signed by:** Mkuu wa Shule (Head Mistress), Meneja wa Shule (School Manager), Mkurugenzi (Director).

5. Differences from Boys Secondary

Topic	Boys Secondary	Girls Secondary
Matumizi	795,000 (one price)	776,000 Christian / 851,000 Muslim
Trousers / skirts	Trousers 32,000 (class), 30,000 (everyday)	Skirts 30,000 (class and everyday)
Kizibao (vest)	15,000	Not on the list
Socks	Black	White
Box file	5,000	4,000
Islamic dress, hijab	–	60,000 and 15,000 (Muslim only)
Sports wear (from home)	Blue	Yellow, no writing
Karo instalments	1, 2, 3 or 4	1, 2 or 4
Saturday reception ends	12:00pm	12:30pm
Azania account number	004000028035	004004163001350001

If the Boys Secondary box file is really 4,000 (like Girls), the Boys list adds up to exactly 795,000. That may be the 1,000 mistake on the Boys paper. The two papers give **different Azania numbers** for the same account name "MUSABE SCHOOLS" — please confirm which is right.

6. What this means for the Musabe system

1. **Package by religion:** Girls Form 1 2027 has two matumizi packages. The student record needs a religion field (or the bursar picks the package).
2. **Bank payments:** the bursar records the bank and pay slip number; each school has its own CRDB account.
3. **Services are not stock:** registration, ID card, first aid, clothes marking, mattress and cleaning tools have no stock count.
4. **Prices per school:** same item, different price per school (e.g. box file 4,000 here, 5,000 at Boys).
5. **Academic tracker:** alert below 65% average; a missed exam counts as zero.
